Dear Marilyn:

Again I have been very slow in answering your letter. It certainly sounds as if WCSR and the PBS are running very smoothly, and I congratulate you.

Incidentally did you notice that a new network in the Middle Atlantic States has been set up with the initials PBS? I think it stands for Public Broadcasting Company.

We have just elected our new Executive Committee for the year 1951-1952. They take office in February, and I think they would like to run our first trip of the year. This and the fact that many of us will actually be studying for exams during January makes it seem more convenient to come up some Friday during February. Either I, or Charlie Milliken, the new Vice Chairman, will write you about it after vacation.

Dud Devine wants to be remembered to you and hopes to see you very soon.

Very sincerely,

Tony
